

# Communications in FSR'2001 conference

## **Phone:**

GSM 900 and 1800 work in the conference area.

Conference Secretariat phone +358 40 546 0344.

In case you don't have a mobile please contact conference information desk.

## **Fax:**

**To send a fax:** Contact conference information desk!

**To receive a fax:** Fax number +358 9 451 3308. Please ask sender to add "FSR2001" and your NAME on the cover sheet.

## **Post:**

Please contact conference information desk.

## **Computers (internet)**

In hall A 120 there are 15 computers with internet and printer connections reserved for the conference attendees.

## **Own computers**

In two bigger conference lecture halls (T1 and T2) there is an internet connection and a power socket (220VAC) for each seat. Plug the internet cable in your computer and configure network settings "TCP/IP properties" to use automatic IP (DHCP) and automatic DNS.

NOTE!! When you change to automatic IP and DNS your computer forgets the previous IP settings. Commit them to paper before change!!

## **WLAN**

WLAN network is available in the conference building. In case would like to use your WLAN connection please contact conference information desk for configuration.
