

# Session 0: Navigation in practice

The first Navigation session is navigation in practice. In order to find Sauna, beer and sausages you have to find **Rantasauna** the place for **get-together**.

Get-together starts 18:00 in the Sunday evening.

## 1. Easy way

The easiest and the most boring way is to take a taxi and ask it to drive:

Rantasauna

Jämeräntaival 5

Otaniemi

Espoo

From Helsinki city center the taxi costs about 100FIM

## 2. Act like tourist

In case you live in the Helsinki city center you can feel like a real tourist and use local public transport.

1. Find bus station
2. Find platform 51
3. Jump in bus number 102 (if there is a letter after the number don't worry). Bus ticket costs 17FIM. Bus leaves at 17:00, 17:25, 17:50, 18:15 and trip takes about 25 min.
4. Drive to the final stop. (This is easy! Driver will ask you to leave if you don't do it voluntarily)
5. Locate yourself on the attached map (blue arrow)
6. Navigate to the Rantasauna (red arrow) by using the map
7. When you get lost, ask help from natives. Most of them are not dangerous.

If you are already in Otaniemi, start from number 5. Note! It might be that you are not in the bus stop 😊

## 3. Engineer's way (this is the right way)

Rantasauna coordinates are:

60° 11.23' N

24° 50.38' E

Use sextant, GPS or GLONASS

## 4. Remember that FSR'2001 Helsinki sightseeing will also end up to Rantasauna.
